# TRANSITION MANIFESTO

**6** PRIORITY  
PROJECTS  
TO  
REBUILT  
CAMEROON

01

# POLITICAL PRIORITIES

## **!MPCRTANCE**

Cameroon is going through a major political, security and identity crisis: conflicts in the English-speaking regions, the terrorist threat of Boko Haram, community tensions, crumbling patriotism. Without reconciliation and peace, neither reform nor development can flourish.

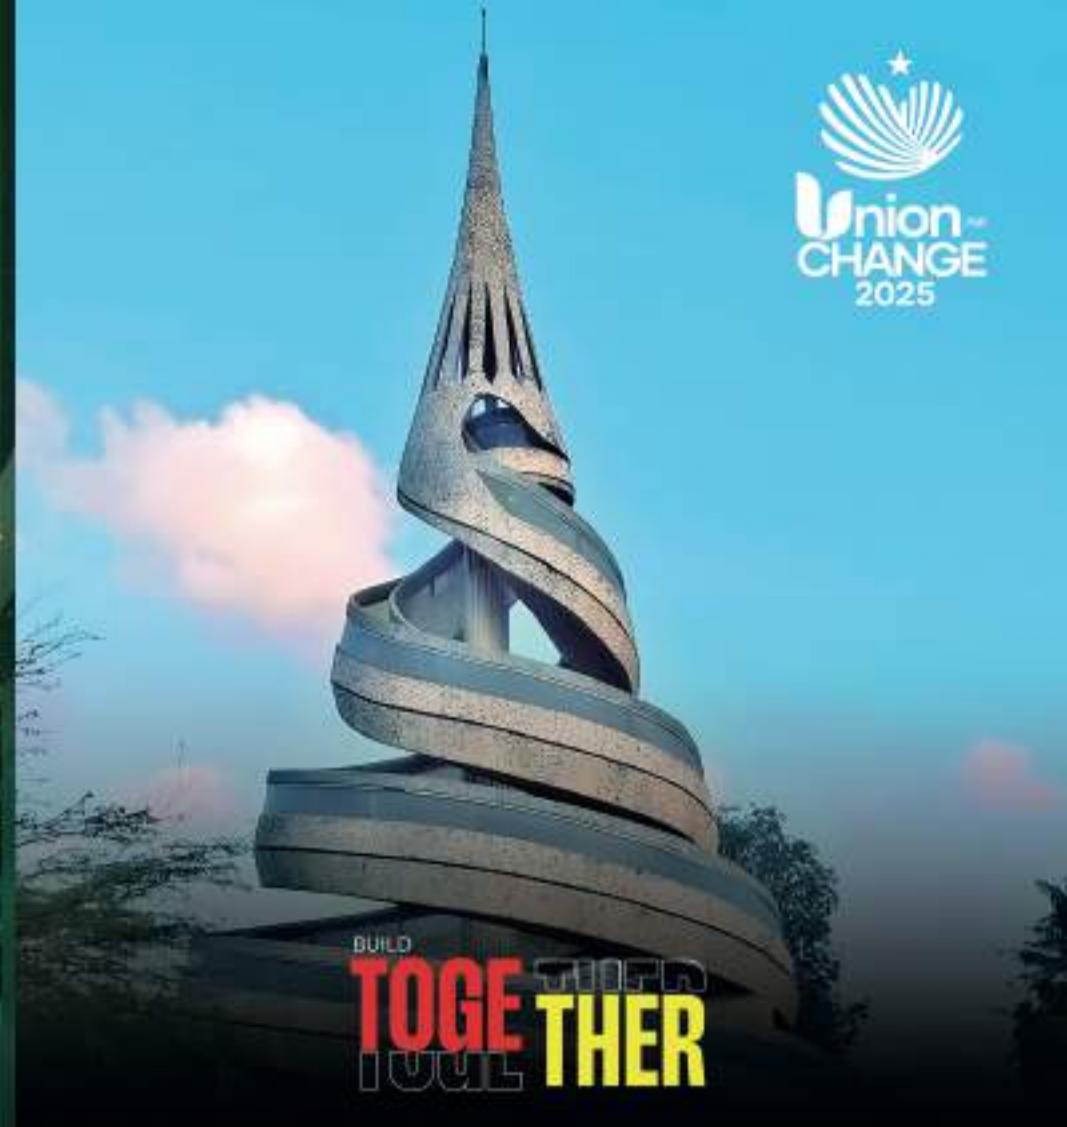

Transition Manifesto 02

**WITHOUT  
PEACE  
NO  
REFORM**

TOGETHER FOR  
TOMORROW

# AKES

## 1 BRINGING PEACE AND SECURITY TO THE COUNTRY

through inclusive dialogue and army reform.

## 2 RECONCILING CAMEROONIANS WITH THEMSELVES AND THEIR HISTORY

rehabilitating wounded memories and turning the page on injustice.

## 3 EXALTING NATIONAL CONSCIOUSNESS AND PATRIOTISM

to create a shared Cameroonian identity

# IMPLEMENTATION

1

Immediate opening of an **inclusive national dialogue**, without taboos.

2

Setting up a **Truth, Justice and Reconciliation Commission** to heal wounds and acknowledge responsibilities.

3

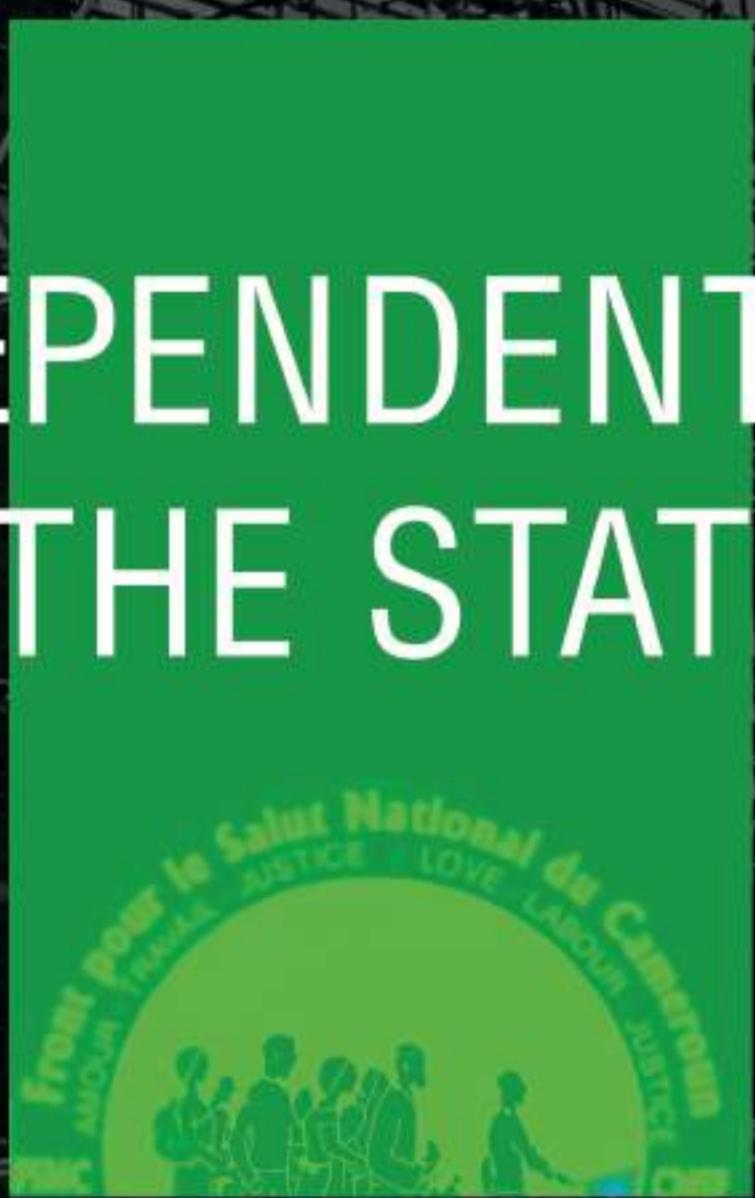

Deployment of a **national pacification program** combining **disarmament, reintegration of ex-combatants and securing of fragile areas**.

4

**National civic and patriotic education** campaigns to promote living together.

# PROJECT 02

FULL, INDEPENDENT  
AUDIT OF THE STATE

# FULL, INDEPENDENT STATE AUDIT

The outgoing regime left behind a fragile state, heavily in debt, riddled with corruption, and whose assets and finances nobody really knows. Without transparency, no credible reconstruction is possible.

WITHOUT  
**CLARITY**  
NOTHING

AXE  
**01**

Public finances and debt.

AXE  
**02**

Valuation of State assets.

AXE

03  
04

# IMPLEMENTATION

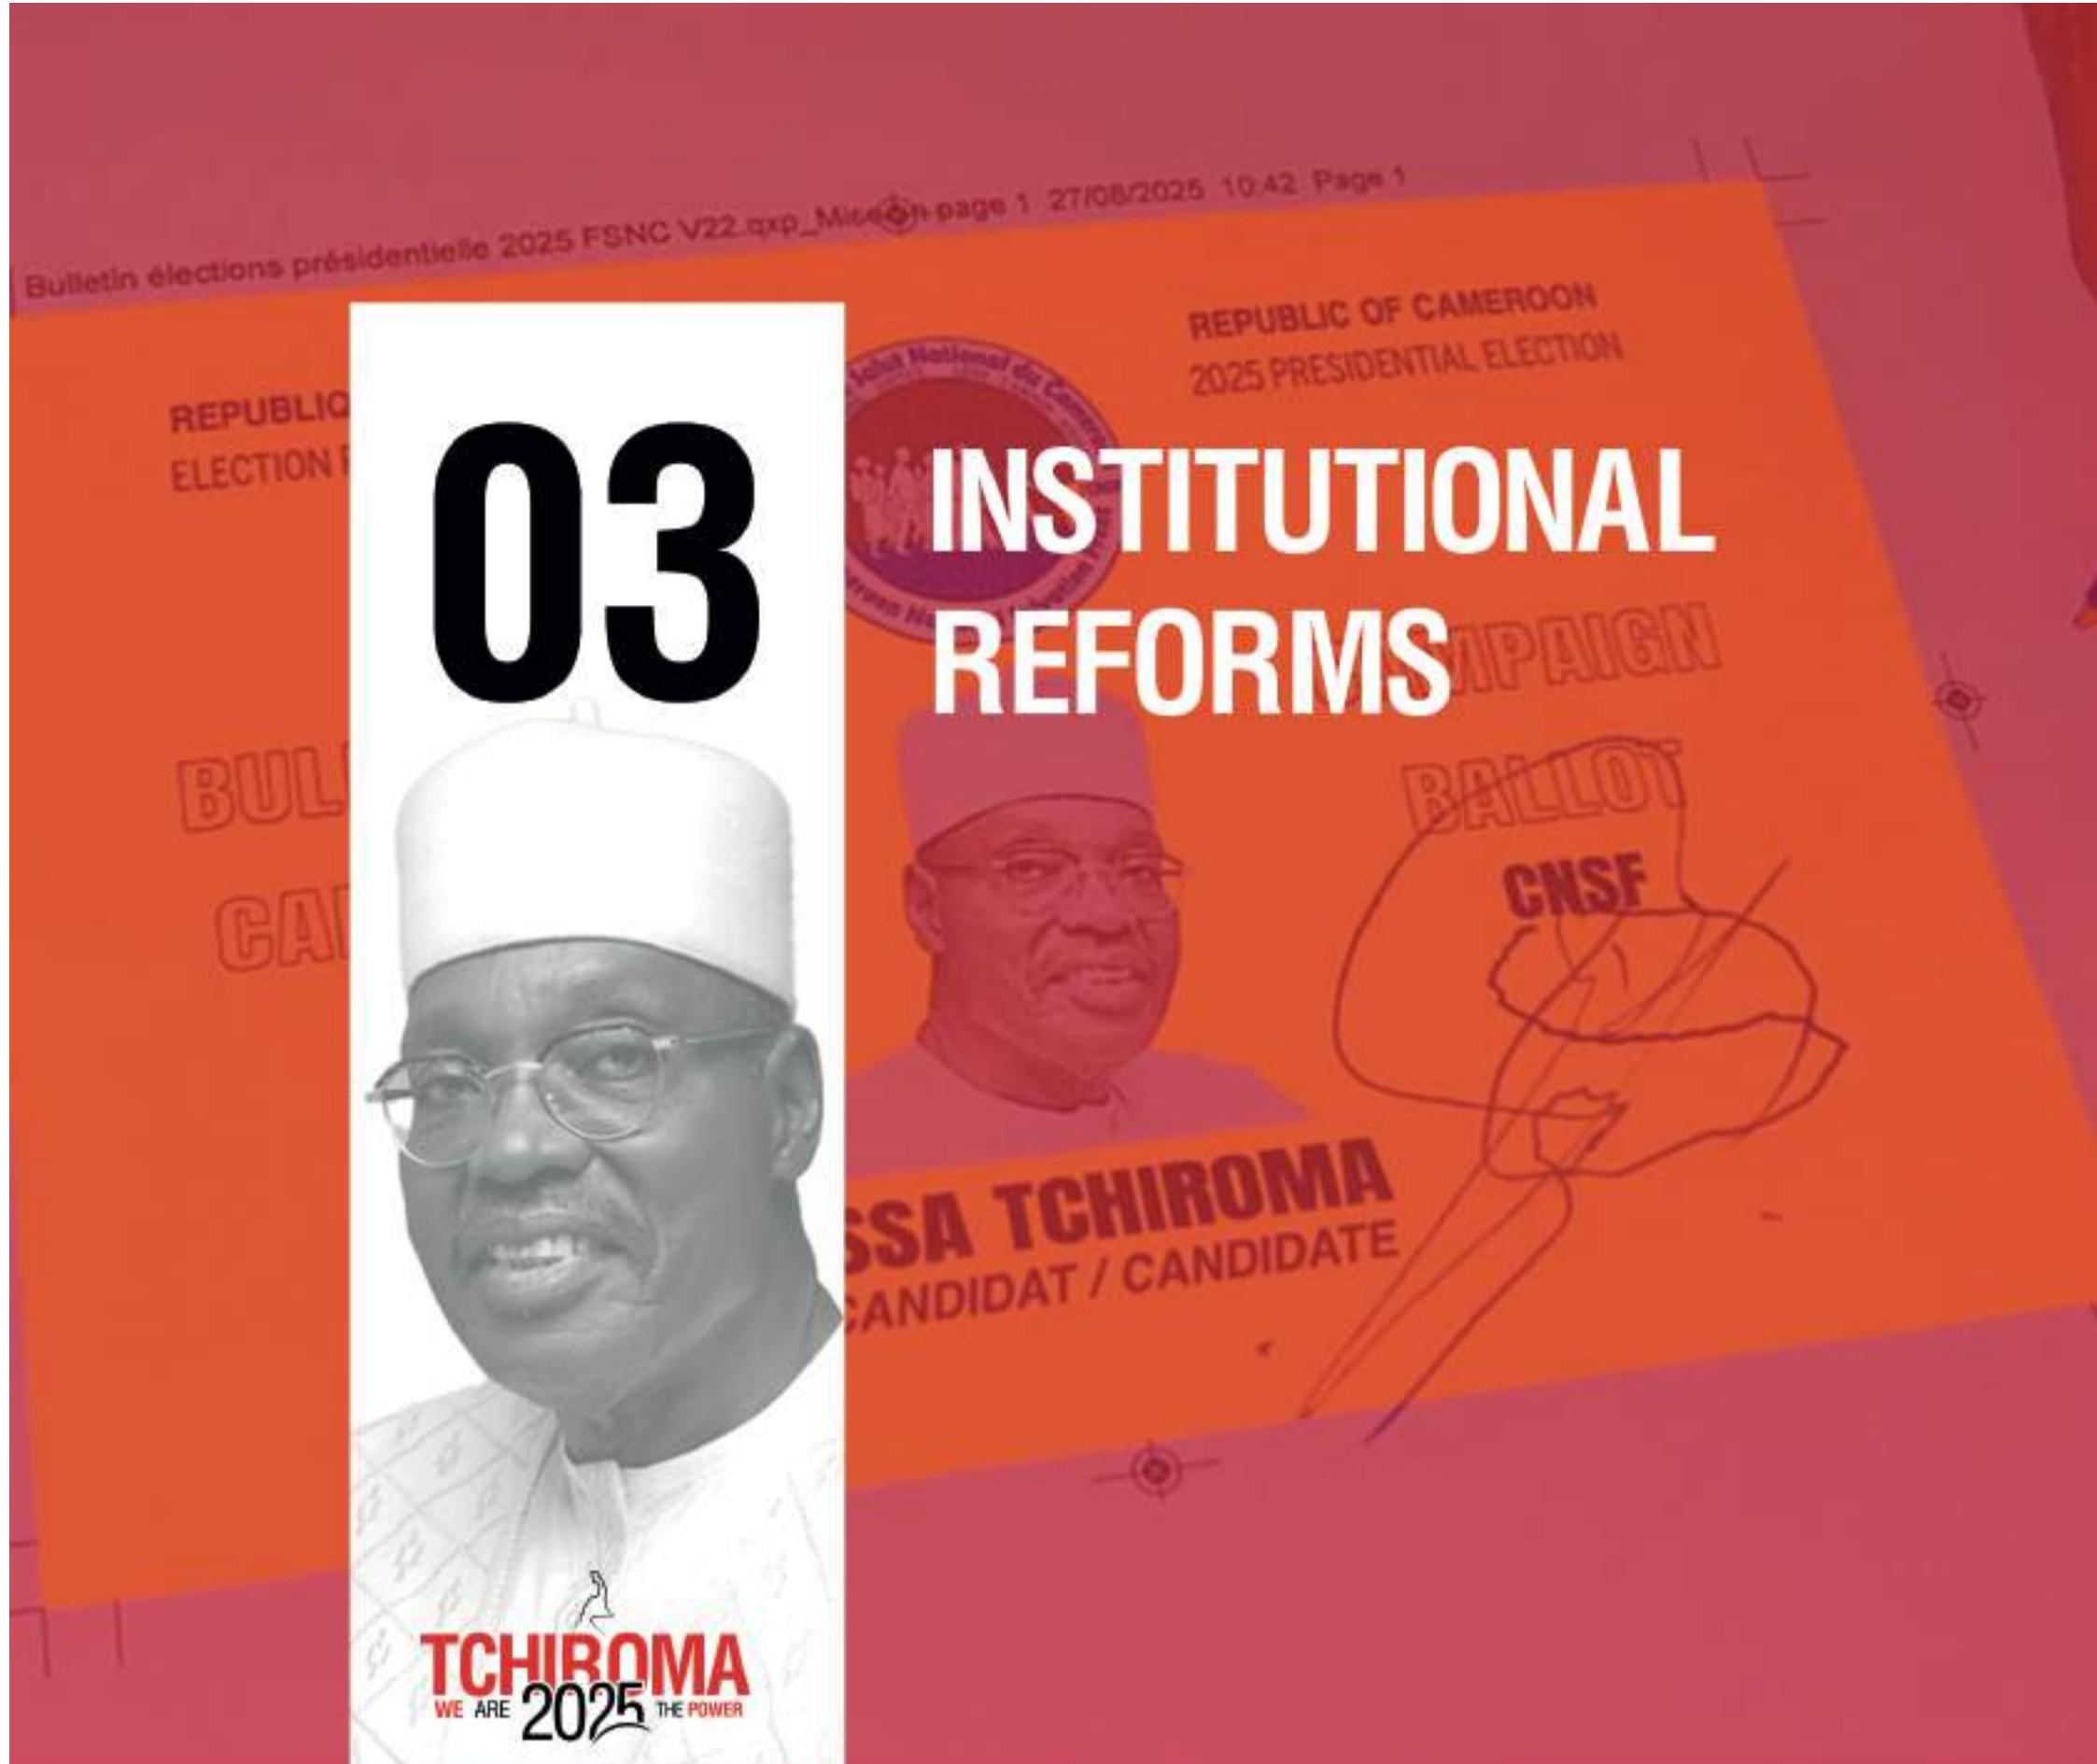

Mandate an independent firm of national and international experts to audit the State.

Publish an official report accessible to all Cameroonians.

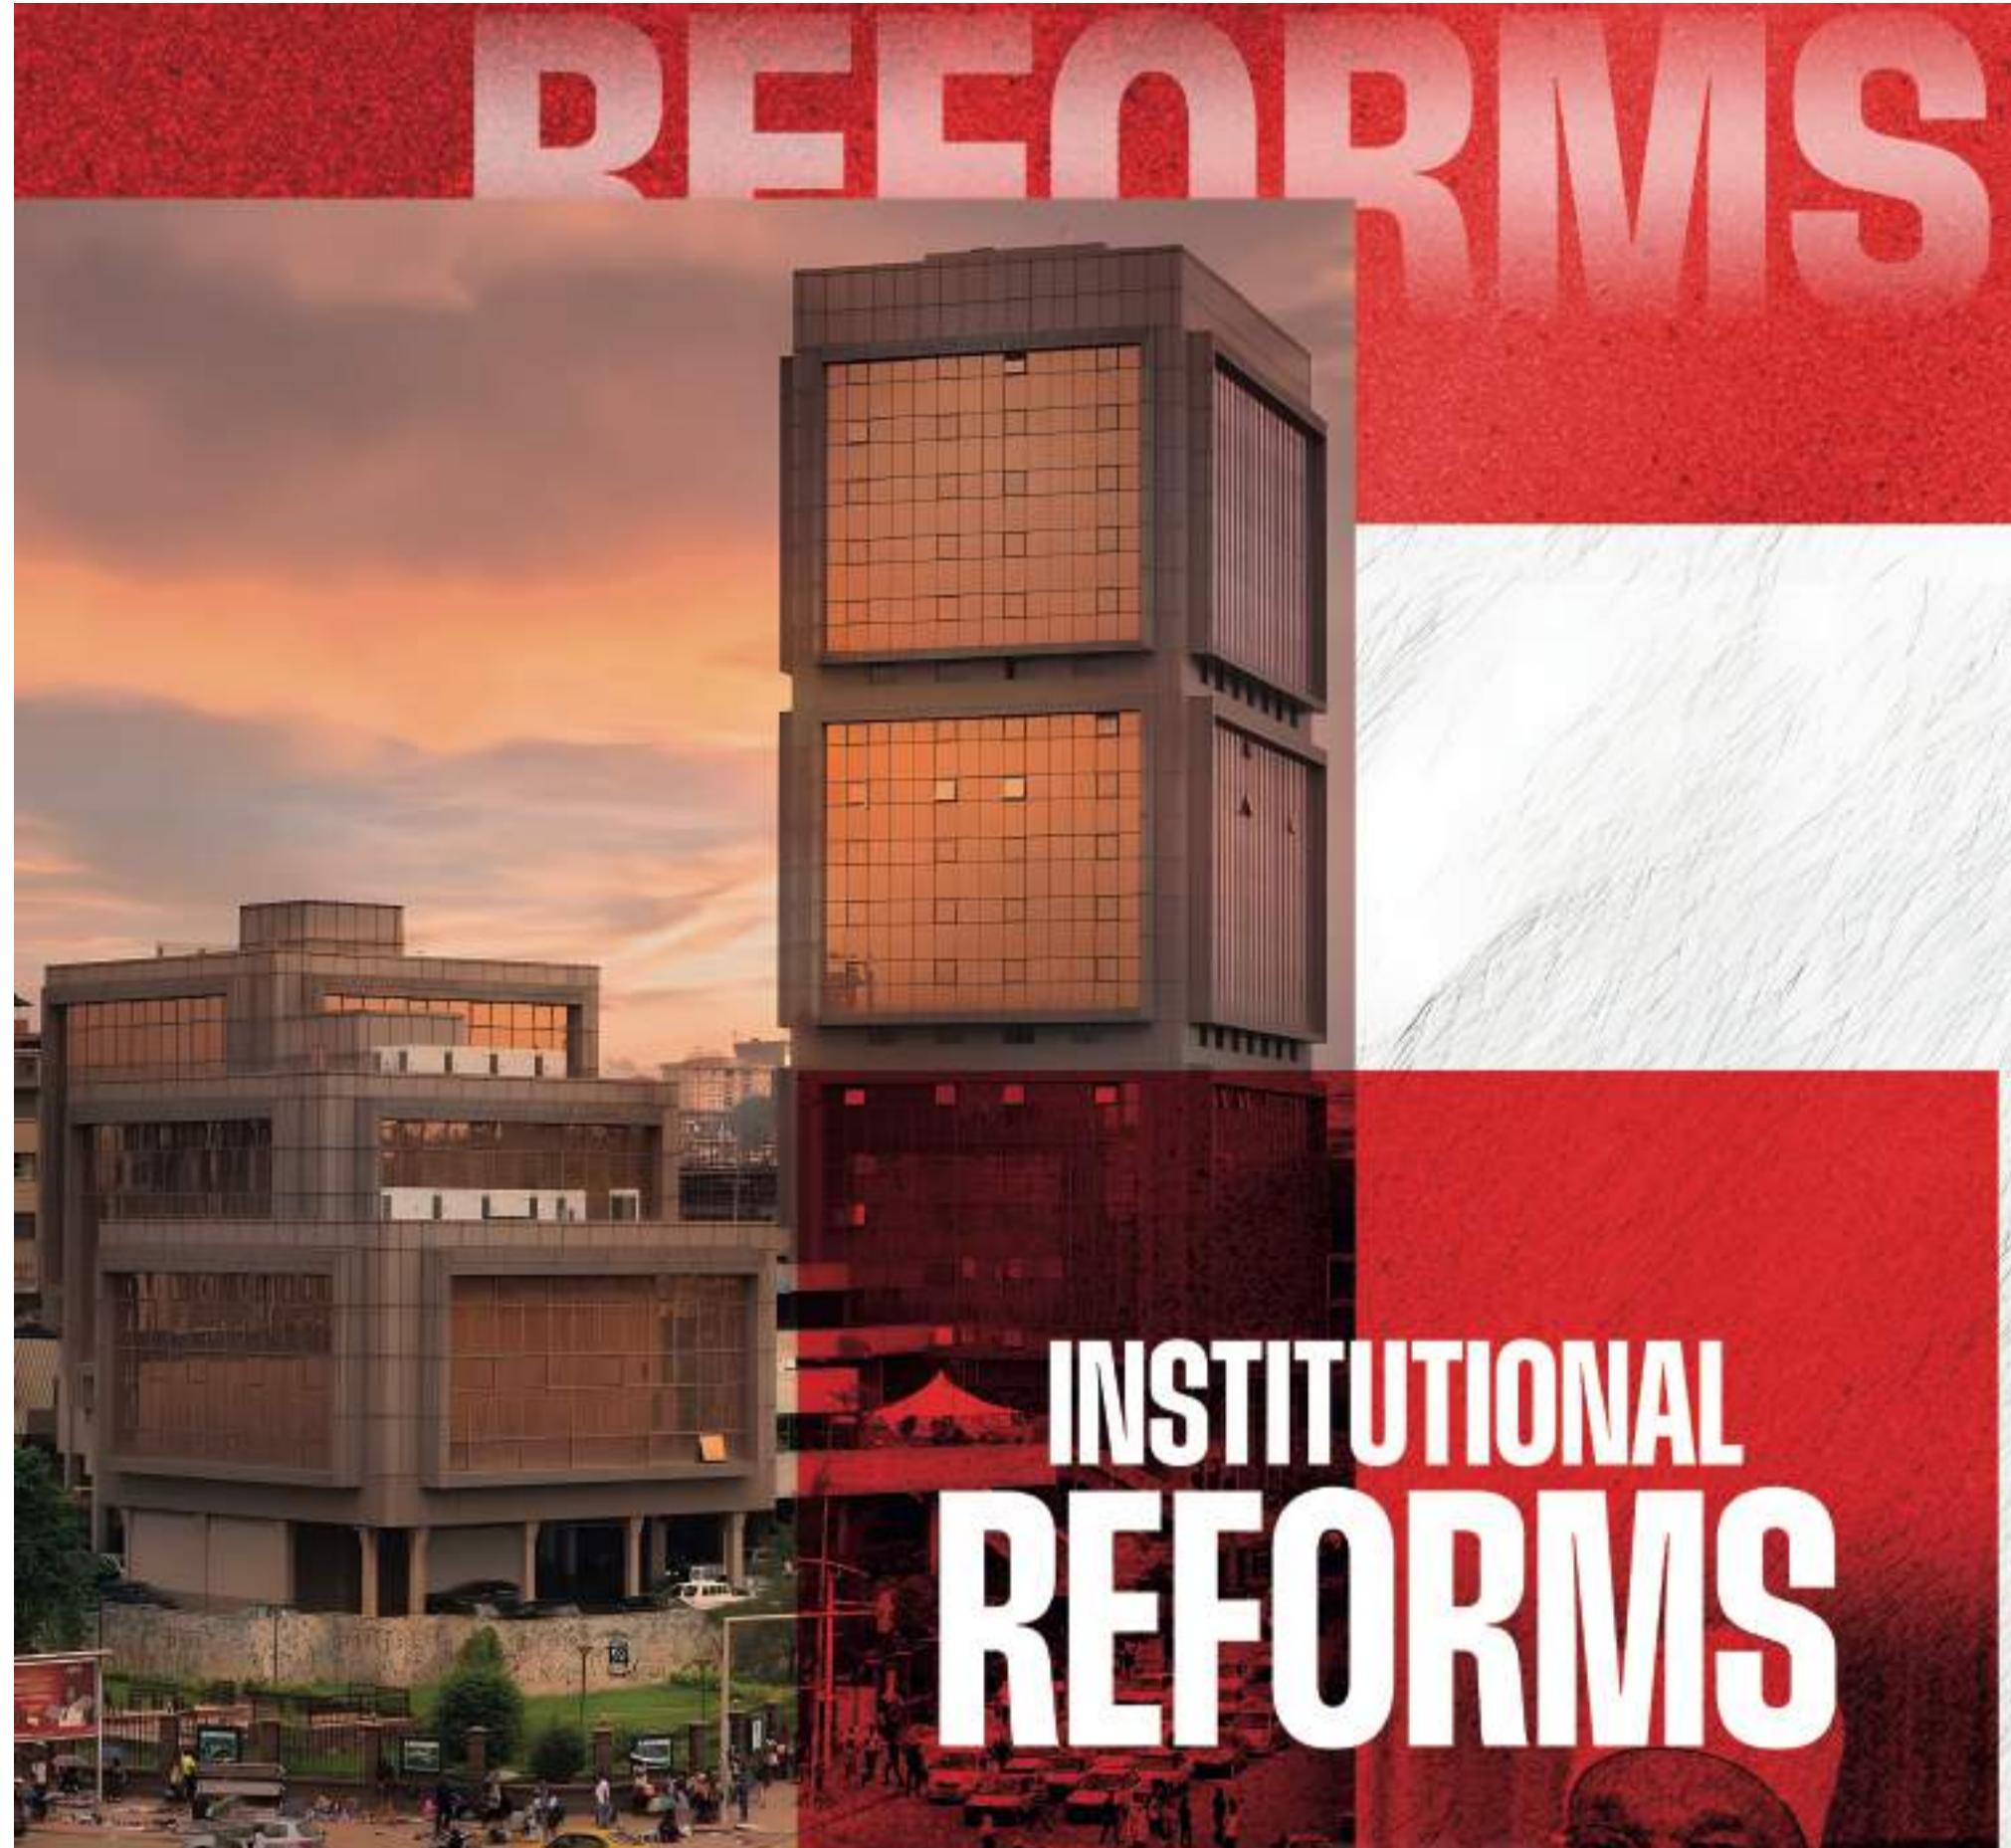

Set up a digital transparency platform to track government revenue and expenditure in real time.

Initiate legal proceedings in the event of proven misappropriation.

# REFORMS

## IMPORTANCE

Current institutions are perceived as being subservient to the government. Corruption and the personalization of the regime have destroyed the people's trust. Governance must be rebuilt and the legitimacy of institutions restored.

**CONFIDENCE**  
REBUILD  
**STATE**

# AXES

**01**

Reinforce national sovereignty and review the form of the State.

**02**

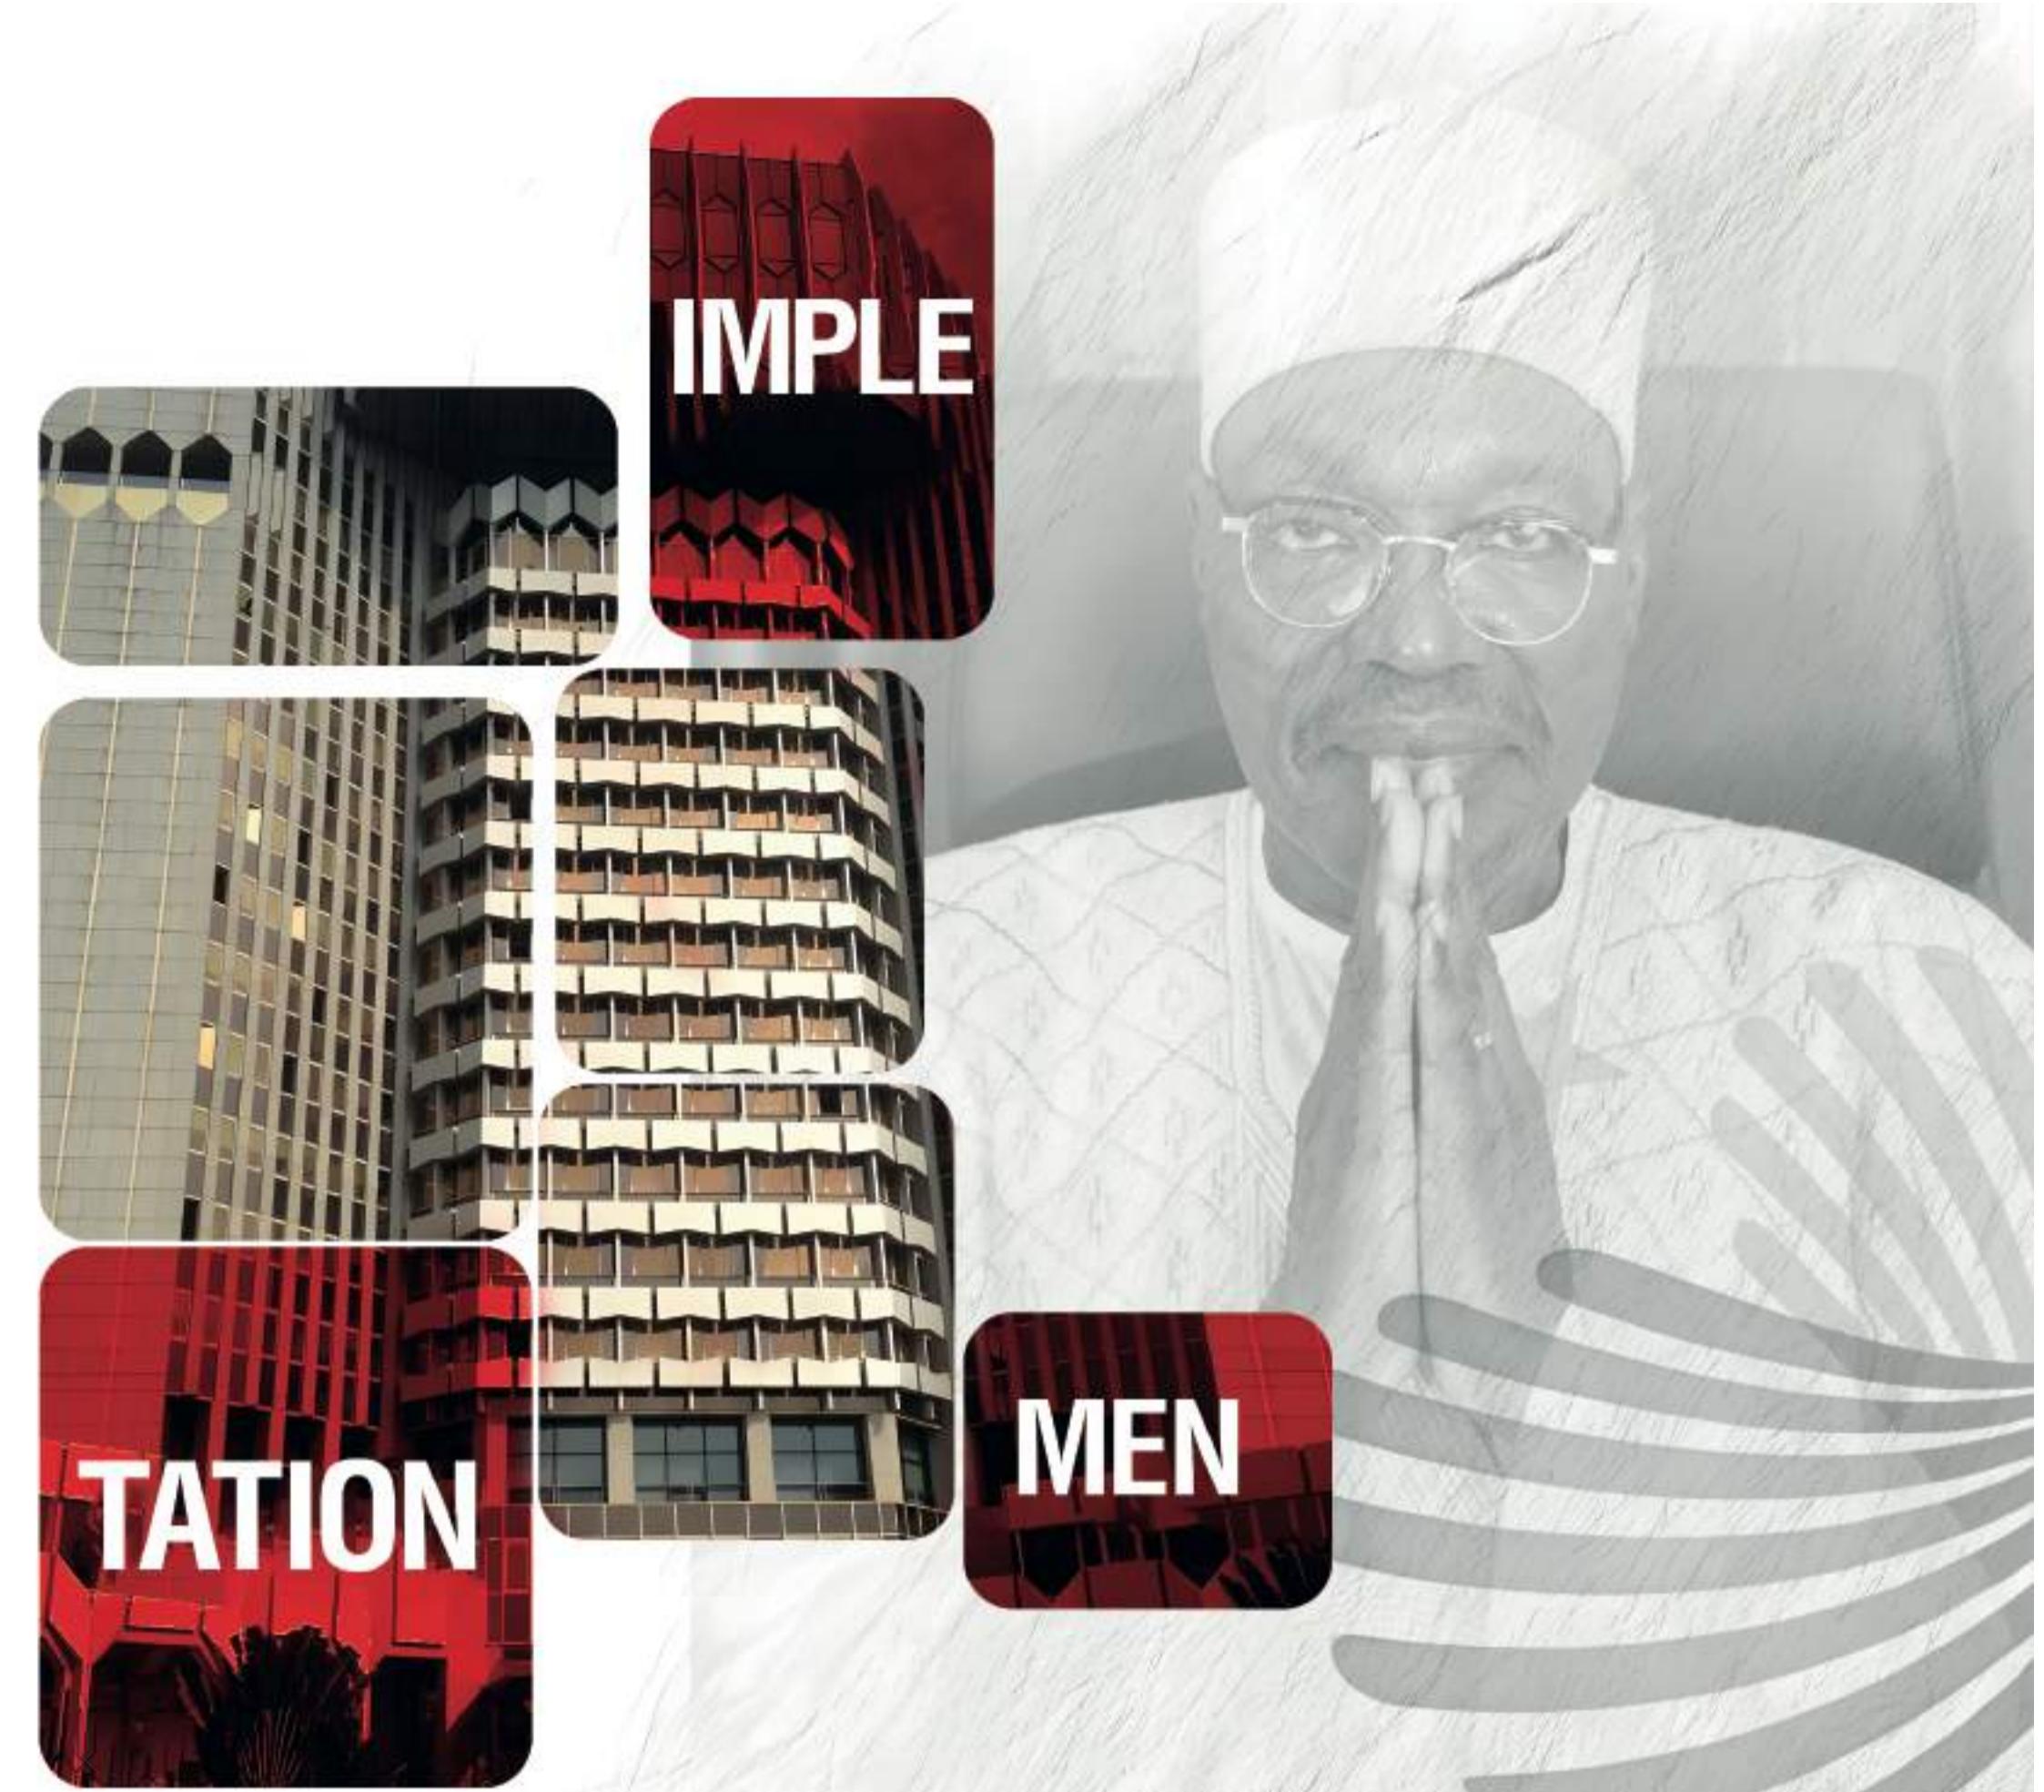

Eradicate corruption and establish good governance.

**03**

Adopt a nationality code that includes the diaspora.

**04**

Adopt a consensual electoral code.

## 01

**Launch a Constitutional Reform**  
Towards a Discussion on the Form  
of the State, Adapted to Local Re-  
alities

## 02

Establish independent control  
bodies (Court of Auditors, reformed  
Constitutional Council).

## 03

Establish a New, **Consensus-Based**  
**Electoral Code** Ensuring Free and Fair  
Elections

## 04

Recreate a clear legal framework, in-  
cluding recognition of dual nationality.

# Pan-Africanism and Multipolar Diplomacy

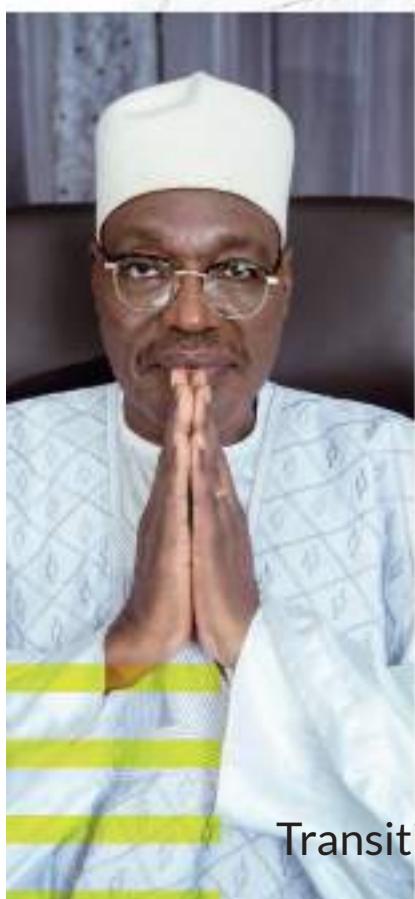

PROJECT

06

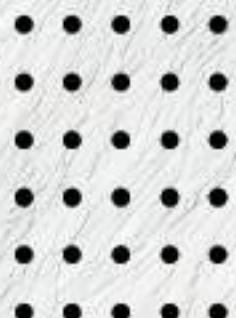

# IMPORTANCE

Cameroon cannot remain isolated or subservient to a single power. It must establish itself as a strong pan-African player, open to the world and capable of defending its interests.

CAMEROUN

A  
**STRONG &  
SOVEREIGN**  
CAMEROUN

1

Participate actively in the African unification process.

2

Leading a resolutely multipolar diplomacy.

# IMPLEMENTATION

## 01

Strengthen links with  
**ECOWAS, ECCAS AND  
THE AFRICAN UNION.**

## 02

Defend a sovereign diplomacy,  
open to the BRICS, the Gulf  
States, Europe and the  
Americas.

## 03

Position Cameroon as a  
regional hub for peace,  
finance and trade.

## 04

Mobilizing the diaspora as a  
diplomatic and economic  
force.
